Beginning Toddlers:

We are believing in Mr. Groundhog with his prediction of a early spring. We are missing our buggy rides and time on the playground. We have been struggling this season to keep us all healthy. Extra cleaning and sanitizing sure doesn't replace the good ol' fresh air.

We have had extra gym time, music and dance. We have learned a lot of new songs and fingerplays.

We are working on our colors...stacking, sorting, and building blocks with colors. We like to clap and cheer as we grow together.

Ms. Paula, Ms. Lyn and Ms. Sue

Infants:

We've had lots of changes in our infant room over the last couple months. We would like to introduce Ms. Kassie as our new lead teacher. We would like to welcome Ms. Calista back, we have missed her, also we would like to introduce Ms. Alexis as one of our assistant teachers.

We are looking forward to making a valentine craft soon, be on the lookout for our new artwork.

With all the sickness going around please know we are trying our best to get those nasty germs out of here.

We look forward to our "newness" and creating bonds with our sweet babies 😊

Ms. Kassie, Ms. Calista and Ms. Alexis

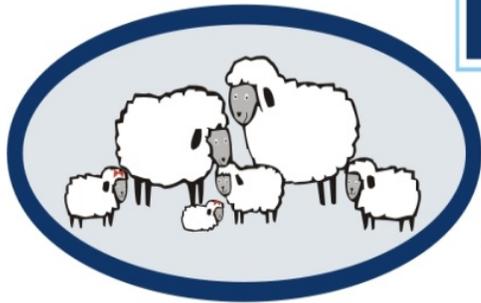

Toddlers:

We are hoping for mild weather so we can get outdoors. We plan on bringing snow indoors, if we have to stay in. We will paint with it and play with it in the sensory bin with our gloves.

We are excited for Valentine's Day this month. We have been using lots of red, pink, white and purple so far. We will be having a class party as well.

We have been working on incorporating new things that make our big room time more fun. We have been using the parachute, dancing with scarves and ribbons, and using stepping stones to jump on.

Early Preschool:

First week of February we did the letter P. We also talked about where do we get our clothes from, most children said "home".

Feb 10-14 ~ is friends & valentines

Feb 12th wear something red or pink

Feb 14th will be our Valentine Exchange/Party

No show n tell, due to the party

Feb 17-21~ letter Q

Feb 24-28~ letter R

Please remember to send mittens, boots, and hats for your child. We are hoping to get outside really soon.

Ms. Diane, Ms. Sharon and Ms. Erin

Advancing Toddlers:

We have been hard at work working on our letters, numbers, colors, and shapes. In February we'll be studying balls and of course Valentines.

We will have our party on the 13th. The children can bring treats to share and valentines for their friends if they would like.

Show n tell is on Thursdays each week and its great when a child can take part. They can bring something too that begins with the letter we are learning about or something for the theme we are studying.

We have a full class and are having so much fun!!

Thank you for sharing your child with us 😊

Ms. Vivian and Ms. Pat

Pre-K:

We are learning about reduce, reuse, and recycle this month. We also plan on making lots of different crafts in Feb. We will be making tissue paper sun catchers, a craft relating to a polar bear, and a Valentine craft.

We will be having a Valentines Party on the 14th. A list of names has been put in your child's locker. He/She may bring cards to exchange and treats, but are not at all required.

Please remember hats, gloves, and boots as we would like to get outside some this month.

Ms. Ashley and Ms. April
