## March Newsletters

### Beginning Toddlers:

Hello Spring!! We have been practicing our large motor skills with the use of our gym, the climbers, and running games but we sure do miss our playground! We are hoping for some nicer days so we can get our buggy rides in 😊

We are studying our colors and we have been using our small motor skills as we are focusing on “green”. Painting, coloring, and gluing our little leprechauns for St. Patts day.

Our vocal skills are growing as we are continuing to “use our words” to communicate our needs.

We say goodbye to Finn as he moves on to the 2’s room, and we will be welcoming AnnMarie as she moves up from our infant room.

**BRING ON THE WARMER WEATHER!!**

**Ms. Paula, Ms. Lyn and Ms. Sue**

### Infants:

Happy March! We are so excited to be entering first month of spring. We are hoping we can start doing some stroller ride’s and bubbles outside. We can keep our fingers crossed away. 😊

We have been busy making new art and loving the new toys we have received.

We are welcoming two new friends this month and saying goodbye to one that will be moving up to Ms. Paula’s room.

Please help wish Ms. Kassie and very HAPPY BIRTHDAY this month as well.

We love our time spent with your littles, thank you for allowing us to love them daily.

**Ms. Kassie, Ms. Calista and Ms. Alexis**

### Toddlers:

March is all about the \*hopeful\* arrival of SPRING!!

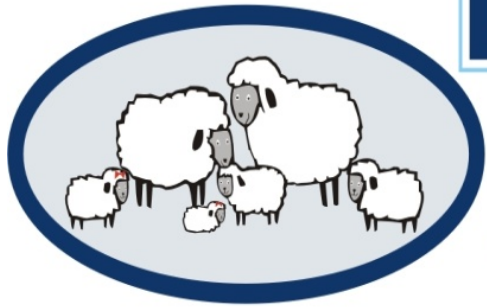

We have new posters about spring animals, spring activities, and spring weather in our room. We have a new color chart on our wall of raindrops and umbrellas.

We welcome two new friends this month, Finn and Jordan. We are looking forward to them learning with us.

We will be doing a lot of projects that include green, yellow, gold, and brown and also cloves to help us celebrate St. Patrick’s Day.

Please remember hats and gloves as we will be trying to get outside more this month. 😊

**Ms. Casey & Ms. Tawn**

# Little Lambs Daycare and Pre-School

## March Newsletters

### Early Preschool:

We finished up our clothes study with visitors from the Fire Department and Police Department. March 5<sup>th</sup> we started our new study: Reduce, Reuse and Recycle. Our first week (March 5<sup>th</sup>-9<sup>th</sup>) we will talk about what people throw away. Where does trash go? What do workers do there? (March 12<sup>th</sup> -16<sup>th</sup>). How do trash and garbage affect our community (March 19<sup>th</sup> – 23<sup>rd</sup>)? thank you to the parents who donated recyclable items!

The week of March 26<sup>th</sup> – 30<sup>th</sup> we will be doing bunnies and chicks.

**Ms. Diane, Ms. Sharon, and Ms. Emily**

### Advancing Toddlers:

We have completed our 6 week study on balls and have begun a 6 week study on trees. We have walked in the forest behind the library looking for different shaped leaves. We have found pine cones and acorns and have used them for crafts. We made shakers to use during music time.

We have also been working very hard on our ABC's, colors and shapes. Several of the children can name all the colors and shapes and can recognize most of the ABC's.

We are looking forward to Spring, so we can play in the parks and go on long walks. We are an active class that loves to explore new things.

**Ms. Vivian and Ms. Sherylyn**

### Pre-K:

March is all about buildings. We will be talking about who builds buildings. What tools do they use, what are buildings made of, what is special about our school building and what happens inside buildings.

We will be doing new activities and songs including; Mr. forgetful, Three Rowdy Children, Riddle Dee Dee, Hippity Hoppity How Many and body patterns.

**Ms. Shanna and Ms. April**
