

# Little Lambs Daycare and Pre-School

## March Newsletters

### **Beginning Toddlers:**

March welcomes another new friend, Garrett, to our class! We have been focusing on a new color each month. This month's color is green. Coloring and painting and fluing crafts is helping fine tune our small motor skills. We will be working on decorating with artwork about St. Patrick's Day and Easter.

We have had extra use of our sensory bins, hallway walks and gym time as weather has kept us inside much of the time. We are anticipating nice Spring weather as we cannot wait for our outside time to return on a regular basis!

**Ms. Paula and Ms. Sue**

### **Infants:**

Happy March! Here in the infant room we're getting a lot of new friends! We're so excited to watch them learn and grow. Most of them are siblings to children we have here already, so it will be a lot of fun to see how their personalities differ. It's also finally starting to warm up a little. It was a long winter, but we can't wait to start going for walks again!

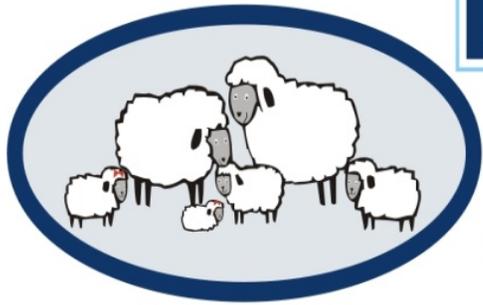

Have an awesome March!

**Ms. Kassie and Ms. Calista**

### **Toddlers:**

In March we will be looking forward to Spring! Lots of focus on green, yellow, orange and brown. We will make lots of 4 leaf clover themed crafts. We plan to do a 2 week long unit on weather and 2 week long unit on animals (winter animals). We will be updating our posters and bulletin board to a St. Patrick's Day theme. We also just updated our sensory bin in the room from a food theme to green and gold objects!

**Ms. Casey and Ms. Alexis**

## March Newsletters

### Early Preschool:

During the month of March, we started a new study; Reduce, Reuse and Recycle. We will do a recyclable collage and go for a walk (weather permitting) and pick up litter. We will be focusing on the letters S,T,U,V and W. March 17<sup>th</sup> is St. Patrick's Day, so be sure to wear green! We will also be celebrating 2 birthdays this month.

Don't forget show and tell is every Friday!

**Ms. Diane, Ms. Pat, Ms. Sherylyn and Ms. Erin**

### Advancing Toddlers:

What a wonderful time of year! We have been able to go for walks and play on the playground. This group of children loves to be outside discovering new things! Every day we are on the lookout for things that tell us Spring is on its way.

Right now, we are doing a study on Dr. Seuss. If your child has any books by Dr Seuss please bring them in so we can read them! We will also be looking for rainbows and leprechauns soon!

We continue to work on our letters, numbers, shapes and colors. We just started to work on opposites. The children love to sing songs about colors, ABC's and opposites. We just got new microphones so we can perform our favorite songs during circle time. HAPPY SPRING!!

**Ms. Vivian**

### Pre-K:

We have another busy month ahead of us this March. Our first two weeks will be spent celebrating Dr Seuss' birthday and his books. The calendar shows different dress up days to go along with which book we are reading that day. St Patrick's Day is coming up on the 17th and the first day of Spring is the 20th. As the weather continues to warm up, we will begin going outside again!

We will continue writing our names, learning new Sight-Words, reading/sending home our Sight-Word Books, etc. I look forward to another month with you and your kiddos!

**Ms. Ashley and Ms. Calista**
