

Little Lambs Daycare and Pre-School

Beginning Toddlers:

With all the changes lately, we will be starting back at the basics. Focus will be on creating a safe, secure environment for each child. Reestablishing routines that become familiar and consistent helps to maintain a secure, happy atmosphere. Becoming familiar with each other and creating a “happy” atmosphere is key in growing together.

We are learning to “use our words” and signs in communicating our needs and desires.

Rain and cooler weather have us looking at more indoor time. We have incorporated our sensory bins with changing (filling) with different items that help reflect the changing season. With that in mind, please remember to bring appropriate clothing and shoes for when opportunity allows us our outdoor time. We love our buggies and playground and will take every opportunity to still be outside.

Ms. Paula and Ms. Sue

Infants:

Happy Fall!

We want to welcome Ms. Kaitlyn to our room as she will be the new lead teacher! She has previous daycare experience and is working towards her bachelor’s degree in child psychology. We are so excited to add Ms. Kaitlyn to our family here at Little Lambs!

As many of our infants are nearing their first birthday, we are having them visit with Ms. Paula in the beginning toddler’s room to get acquainted to their new group of friends and become comfortable in their new setting.

We are looking forward to the upcoming holiday season and all the crafts and fun to be had!

Ms. Kaitlyn, Ms. Chevi, and Ms. Calista

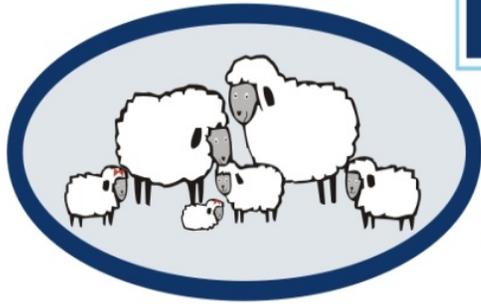

Toddlers:

Hello! The T2’s room is excited for fall season to be here! We have been enjoying the beautiful weather by taking walks and seeing the leaves changing on the trees and looking at all the fun fall decorations on people’s houses!

The T2’s have been learning a new letter each week as well as a color of the week. We do crafts throughout the week for the letter and color of the week that also allow us to learn our ABC’s, colors, shapes, and numbers. We do story time 2-3 times a week that follows along with our letter and color of the week. The children have enjoyed learning and having fun with their friends!

-Blessings!

Ms. Sherylyn

Little Lambs Daycare and Pre-School

October Newsletters

Early Preschool:

We welcomed in fall by walking in our neighborhood and watching the leaves change.

Our letters for this month are: C,D, and E. We are also discovering many things about balls, concepts, skills, math, science, and art. We will be using skills to investigate, ask questions, make predictions, and test our ideas. Our Halloween/Fall party is on October 22nd and we cannot wait!

Thank You,
Ms. Diane and Ms. Rachel

Advancing Toddlers:

Welcome to the Advancing Toddlers! We have been very busy learning new rules, playing with new centers and new table toys. We are having so much fun learning new things. So far we have learned about pets, ourselves, opposites, apples, the color red and patterns.

We have also been busy walking to parks, the library, the forest, and around town looking for colors, shapes and pets. We are a very active class and we love to explore new things.

-God Bless,
Ms. Vivian and Ms. Pat

Pre-K:

While the majority of September was spent on the basics of Pre-K life (behavior management, classroom rules, daily routine, etc.), October brings with it more academic work! We will begin working our way through the alphabet and start using "Zoophonics" to help us remember letter sounds as well as recognize uppercase and lowercase letters. We will start dividing into small groups during the day in order to improve upon existing skills and develop new skills in a more individualized setting. Sight-Word Books will be sent home starting Friday, Oct 8th and are to be returned weekly. We will also begin our weekly Show & Tell. This will be every Friday and will normally have a "theme" for your child to stick with. I will inform the students during class and include on the weekly curriculum what type of item should be brought in each week. I look forward to spending the month with your child!

Thank you,
Ms. Ashley and Ms. Hannah
