

Infant Classroom Daily Schedule

Arrive in the classroom, make sure beds are made and room is in orderly condition.

Greet each parent and infant as they arrive for the day.

Diaper each infant every 3 hours or as needed, all the while talking to and holding on to the infant.

Feed every infant according to their own individual schedules. All while holding the infants.

Hold and cuddle every infant through the day.

Play on the floor with infants doing age appropriate activities that are stimulating and fun.

Comfort every infant in their time of need.

Talk to, sing to, and hum to every infant through the day.

Go outside as weather permits.
